

Our **Prayer Tree Ministry** is made up of volunteers who will pray the confidential requests of anyone who contacts them.

Prayer requests are passed from one member to another via a fan out contact list much like the branches of a tree.

If you have a prayer request or wish to be a part of this ministry or want prayers on your behalf, please see contact list .

KNIT. CROCHET. PRAY.

We have been blessed with a new ministry in our church. A group of members came together to create the **Prayer Shawl Ministry**. Members create prayer shawls which are then blessed and passed along to those who are in need.

If you know of anyone that would like a shawl, please let Ngiare Nelson know.

If you have talents in knitting, crocheting, or with fabric and would like to be a part of this wonderful ministry please refer the contact list.
