Camp Medley matching gift campaign gaining momentum

Camp Medley's ***A Place Where Everyone Belongs*** matching gift campaign has raised **more than \$63,000** in just a few weeks toward the new accessible pool and facilities project. We are especially grateful to the **Parish of Sussex** for its generous five-year pledge of \$50,000, demonstrating how churches can help build Camp Medley's future for generations to come.

Thanks to the generosity of the **J.T. Clark Family Foundation**, every eligible gift designated to the project between now and Dec. 31 helps unlock a **\$375,000** matching commitment.

Thank you to everyone who has already supported the campaign through your gifts and prayers. If your parish, family, or organization has not yet participated, we invite you to consider joining us in creating a place where everyone belongs.
